

The National Health Federation is coming to Wales!

The NHF is a not-for-profit consumer education and health protection organisation

The NHF can educate and help with campaigns on:

- * Water Fluoridation**
- * Vaccines * Dangerous food additives**
- * Restrictive legislation on Natural Health Products**
- * and many more Local issues related to health**

**We will be holding informal monthly meetings in the
Caerphilly/South Wales area from April 2011.**

**Scott Tips, president of the NHF
and official Health Freedom
delegate at the Codex
Alimentarius Commission
meetings, will be visiting
South Wales and launching our monthly
meetings.**

**If you would like to meet Scott and other
like-minded people, are concerned about any health issues or
would like to be involved in local campaigns, please contact us
now to book your free place(s) at the meeting!**

**Wednesday 30th March at 7pm
at the Crossways Inn, Caerphilly, CF83 3NL, South Wales
Crossways is next to a Premier Inn Hotel**
