The World Organization of Natural Medicine (WONM.org),

Proudly presents its' International Conference on Oct. 17 - 25th

The World Organization of Natural Medicine is positioned as the leader in preventive medicine & humanitarian healthcare. We believe in balance, the transparency of information and ease of access for all citizens around the World.

"The most important aspect of our goals is freedom of choice, for the care of your mind and body"

Conference Super-Saturday Programs: Oct. 17 & 24 (see schedule)

Conference Workshop Extravaganza's: Oct. 18 & 25 (see schedule)

Conference Core Events {the HUMANITY CONFERENCE}: Oct. 19-23 evenings

(see schedule at [Http://.TurningPoint2020.Online](http://TurningPoint2020.Online) or [Eventbrite.com/Humanity Conference](http://Eventbrite.com/Humanity_Conference))

This year's event is transformed into a 'LIVE' ON-LINE EVENT with the theme "Turning Point 2020"

- The Conference that will change the World -

The world is at a turning point in its history due to the most recent upheavals that has resulted in the devastation to the well being of nations worldwide. This conference will embody concepts to bring about meaningful change for the wellness of nations through promotion of humanitarian values and education.

ENGAGING LECTURES / WORKSHOPS / AND MORE...

from the biggest names in the Health & Wellness Space /

Personal Development and Empowerment World /

The Leaders in Global Humanitarian Movements & the International Freedom Fighters.

This will be an incredible opportunity to be a part of history. Learn to Pivot & Shift

to a path of success and help to raise the consciousness of humanity.

"A portion of the proceeds goes to the Clinics for Humanity Not-for-Profit* WONM.ORG/Clinics"
